Global Day of Prayer for Burma 2019 March 10

For years now the Burma Army has attacked and displaced the people of Burma. Destroying their villages and taking the lives of many men, women, and children. A group called the Free Burma Rangers has worked in Burma for years to provide for the displaced people and lead them to safety by meeting their needs and showing them the love of Christ. Please pray for the people of Burma and for the Free Burma Rangers as they continue to serve them. For more info about the Free Burma Rangers and the work they do please visit:

MINISTRY AND MISSION OPPORTUNITIES

Plugged in?

Are you plugged in to any kind of Bible study? If not I (Bro. Shan) want to encourage you to come join us on Sunday mornings at 9:45 a.m. The need to dig in to the Bible is very important for our spiritual growth and one of the best ways to do that is to study with others. It gives us an opportunity to be taught but also to ask questions, because we all have questions and all have things we don't understand. Maybe you haven't been to any kind of Bible study in years, but I want to encourage you to come study with us. Give it a try for a few weeks, I believe you will be glad you did.

Apartment Ministry

Tuesdays @ 9:30 a.m.

(Please meet at the church by 9:20 a.m. if you are interested in coming)

Food Pantry

We are always collecting food for our local food pantry. Please leave any donations in the food pantry donation box located in the fellowship hall.

IN THE WORD

Above all, maintain an intense love for each other, since love covers a multitude of sins.

1 Peter 4:8 (HCSB)

Love is everywhere in the Bible and its a theme that I (Bro Shan) haven't really been able to move past the last few weeks. I know that it may seem repetitive for me to keep speaking of love, yet the more I think and read about love in scripture the more more I wish our world could fully understand the power of true love. There are two types of people in the world. Those who need to love, and those who need to be loved. For some reading this there are people in this world you just don't love. There can of course be many reasons why we don't love someone, but may I be so bold as to say that God can help you love that person. The power to forgive those who have wronged us or to treat everyone with love no matter who they are does not always come easy, but it always comes from God. If there is someone out there you are having trouble loving, ask God to change your heart and teach you how to love like He does.

There are others in this world who need to be loved. Now of course we all need to be loved, but not all of us feel loved. There are some who feel abandoned, unwanted, and unneeded. If you are one of those people I want you to know that God loves you and so do I. I can't promise you that all of your problems will go away, but I can tell you that if you seek God there is strength in His love. The love that each of us needs is found in only one place, at the cross of Jesus. It is the love that has covered the multitude of all of our sins. It is the love that gives us hope for better days both now and forever. It is a love that doesn't pick favorites based on the color of our skin or how rich or poor we are. It is a love that loves us all the same and meets us just where we are, as sinners in need of a Savior. My prayer for those reading this is that we learn to love and be loved. Let us strive to live like Jesus and love like Jesus.
